## Health and Safety Policy Statement

- Commitment** | We provide and maintain a healthy and safe work environment through promoting "Safety First".
- Development** | We build and maintain a strong safety culture through our safety committee; who are a valuable resource of competent personnel providing regular education and training.
- Compliance** | We maintain best practice systems that comply with or exceed all legislative and industry requirements.
- Inclusion** | We ensure all staff and sub contractors are aware of their health and safety responsibilities and we all contribute proactively.
- Prevention** | We identify and eliminate, or manage, hazards to prevent accidents, incidents and redesign unsafe work practices.
- Success** | We regularly review and continually improve our health and safety management systems and performance.
